IMPORTANT! The people on this list will be sent when a strike team engine is requested and time permits. If the request requires a quick response and individuals on the list cannot respond in time, personnel who are immediately available will be sent.

We have had a problem in the past where people on the list for a specific time have declined to go, even when they knew they were on the list. Take the time to look over the list carefully. Advise your Captain or the duty chief **IMMEDIATELY** if you become unavailable for your strike team assignment. **GET YOUR GEAR READY TO GO NOW !!!!!**
